

WORDPRESS MANAGEMENT

YOUR SITE, HANDLED.

Managed WordPress hosting and maintenance
from the team that builds it.

EVERY PLAN INCLUDES

EVERYTHING IT TAKES TO KEEP A SITE RUNNING.

Hosting, security, updates, and performance on every plan. If an update breaks something, we fix it.

Managed Hosting

Pressable, up to 30k visits a month, with a staging site.

Security & Backups

Jetpack Security: daily and on-demand backups, malware scans, firewall, Akismet spam protection.

Updates, Handled

WordPress, plugins, and premium plugins, updated for you.

Monitoring

Uptime and error alerts, plus security response.

Speed

FlyingPress performance tuning on every site.

Licenses Covered

Premium plugin licenses kept active, so updates keep flowing.

Cookie Consent

Blocks ad and tracking scripts until visitors agree.

Feedback & Quick Fixes

BugHerd on your live site. Two quick fixes a month, 15 minutes each.

ACCESSIBILITY AND PRIVACY ARE PART OF EVERY PLAN.

Website accessibility lawsuits rose 24% in 2025. Every plan includes accessibility work and cookie consent that blocks tracking until visitors agree.

ACCESSIBILITY

Custom Sites

Built to WCAG 2.2 AA, with scheduled accessibility scans and an accessibility statement. We fix anything our build causes.

Theme Sites

The accessiBe widget, including accessiBe's litigation support.

PRIVACY

Cookie Consent

Configured to block ad and tracking scripts until visitors agree, then checked before launch.

Every Site

Included on every plan, whether your site runs ads today or not.
